I totally agree. I'm hoping to discuss at an upcoming NTA biweekly meeting, but that would just be EPA folks. We need to connect with UNL again too!

Can it wait until performance appraisals are over? My calendar is full this week and next!

Elin,

I am acknowledging that I just read your note.

This sounds promising. Let me more fully digest and we will follow up as part of the StRAP planning that is now underway.

Regrets for the delay in responding.

Best, Annette (Mob: Ex. 6 Personal Privacy (PP))
